RE: Nutrition Break Supervision

Attached is your Nutrition Break Supervision assignment for 2008-2009 at BVHS. Please note that the assignment is for one week every nine weeks—that means that you have N.B. supervision four times this year. I will make an effort to place reminders in your mail boxes the week prior to your assignment. Due to the concern for student safety make sure that you are responsible to cover you duty station when assigned.

I know there will be concerns about the location of some assignments and that some weeks are shorter in length than other weeks but in the end we are all providing a safe and secure campus.

Below are the areas and general responsibilities:
